

# Maple Tree Tapping & Sugaring

**Monday, December 7<sup>th</sup>, 6:00 – 8:00 pm**  
**Marshall County Extension Office**  
**Moundsville, WV**

Learn from the growers at Family Roots Farm about the maple sugaring process. There will be a hands-on tree tapping demonstration and participants will learn how sap is collected, boiled, and turned into delicious maple syrup. Family Roots Farm recently won first place at the North American Maple Syrup Council competition. So come out and learn from the experts! Products from Family Roots Farm will be available for purchase following the class.

Seating is limited. Please call, (304) 843-1170, or email, [Gaylynn.Johnson@mail.wvu.edu](mailto:Gaylynn.Johnson@mail.wvu.edu) to register.

Programs and activities offered by the West Virginia University Extension Service are available to all persons without regard to race, color, sex, disability, religion, age, veteran status, political beliefs, sexual orientation, national origin, and marital or family status.
