

# Bernadette Law

Diversified Livestock Operator  
Leading Valley Farm

Lewis County

Women have a unique role in this world. We're wives, mothers, grandmothers, family managers, teachers and – most importantly – a source of unending love and affection. I believe that raising healthy children comes with raising healthy crops, healthy livestock, clean water and the lessons we learned from Mother Earth.

WEST FORK  
CONSERVATION DISTRICT

No matter what tugs at your heart, agriculture supports what you care about most.
